PROGRAM OVERVIEW

OUR MISSION

Rev Up Memphis is more than an ASE certification program; it is a State-registered apprenticeship that catalyzes change in the autobody collision repair sector and offers job placement upon completion.

Our **mission** is to rebuild the middle class, provide employment opportunities for youth, and foster a sense of community in Memphis. We aim to empower individuals with the skills and knowledge necessary for a successful career in autobody collision repair.

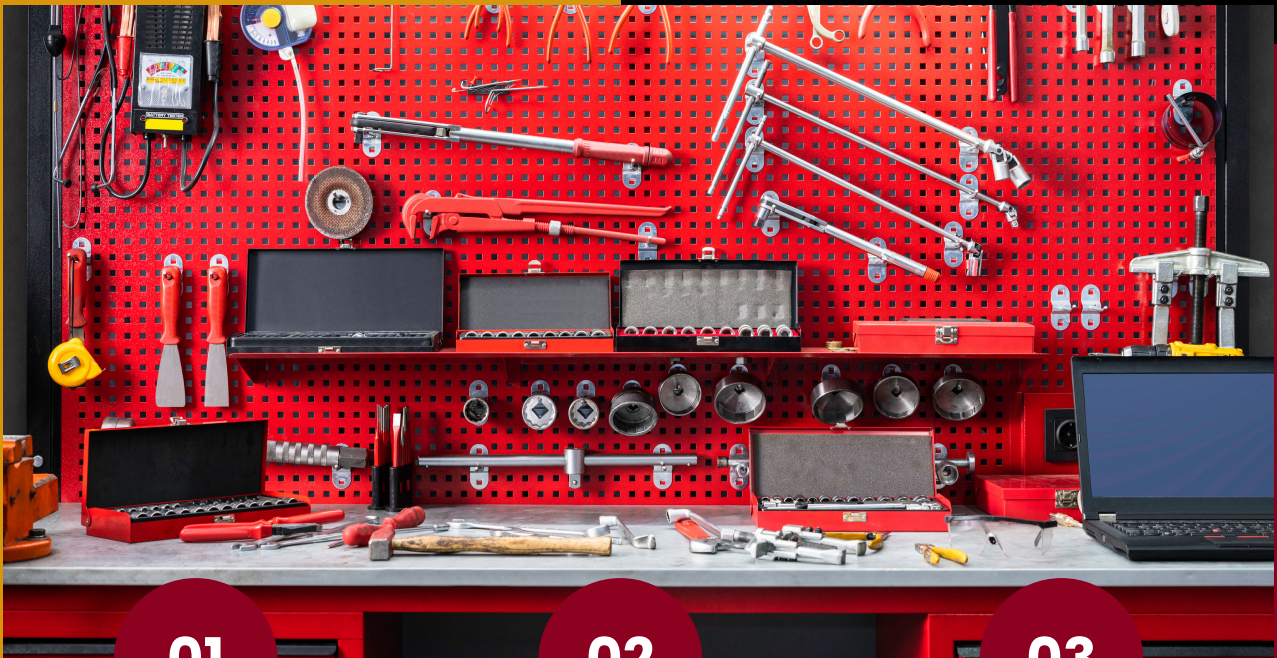

OUR VISION

RevUp Memphis is committed to the four (4) "R" of autobody of working to REPAIR the mindset; REPLACE lack of educational skills; RESTORE life management and REFINISH economic development in low-income homes.

BENEFITS OF SPONSORSHIP

Unlocking potential in Memphis! Support our ASE-certified autobody and paint programs for teenagers and adults aged 16 and above, and pave the way for brighter futures. By sponsoring tuition, you're investing in community prosperity, empowering individuals to secure well-paying jobs, and fostering entrepreneurship, ultimately combating poverty. Join us in driving positive change and building a stronger, more vibrant Memphis together!

WHY SUPPORT REV UP MEMPHIS?

Community Impact: Your sponsorship directly contributes to rebuilding the middle class and creating employment opportunities for youth and young adults in Memphis.

Workforce Readiness/ Job Placement: We prepare students to be workforce-ready for job placement and ensure their skill levels are competitive upon program completion.

Diversity Focus: Rev Up Memphis targets Black and Brown individuals, whether male or female, aiming to bridge gaps and create opportunities for underrepresented communities.

ACCOMPLISHMENTS

Upon becoming a Registered Apprenticeship in 2023, our program has had 3 youths complete the program. One (1) participant has received job placement. Two (2) participants opted for an entrepreneurial journey. They have started a business using the skills they acquired through the program.

Thomas Watkins

The training at UAF was excellent, leading to my successful ASE Certification and a rewarding apprenticeship at Caliber Collision. This has resulted in a raise and improved work location, significantly enhancing my family's lifestyle.

Colby Cash

UAF is a superb program that helps teaches and prepares you mentally and physically to become an Auto Body Technician. I personally chose the option to start my own small business after completing the course.

Dycorian Fields

UAF taught me valuable skills. I took those skills and created a small business for myself. The program at UAF was not just enjoyable, it was a game-changer—it laid the groundwork for a brighter future for me and my family.

Rev Up Memphis believes in the transformative power of aspirations.

By sponsoring a student, you're not just supporting education; you're investing in the future of autobody collision repair professionals, driving growth and innovation in Memphis and beyond.

INVESTMENT LEVELS

SPONSOR A STUDENT'S TUITION!

Your investment of **\$2,500** (ages 16-24) or **\$5,000** (ages 25 and above) unlocks opportunities for individuals in the autobody collision repair industry, fostering a skilled workforce for the future.

SCHOLARSHIP OPPORTUNITIES

In collaboration with our community partners and donors, we offer scholarship opportunities to make education accessible to those financially challenged.

Your sponsorship directly contributes to these scholarships, ensuring passionate and deserving students can pursue their dreams with Rev Up Memphis.

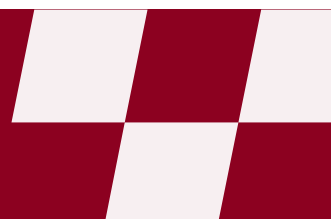

STUDENTS CAN RECEIVE AN ASE CERTIFICATION IN EACH CATEGORY FOR AUTOBODY **COLLISION REPAIR & REFINISH**

1. Students can receive an ASE Certification for Painting and Refinishing.
2. Non-Structural Analysis and Damage Repair (Body Components)
3. Students will have the opportunity to train on a body shop virtual simulator.

Universal Achievers Foundation was granted the rights and software to test their High School students for ASE entry-level Certification by the ASE Foundation. High school ASE Entry-Level testing is done on site.

By sponsoring a RevUp Memphis' student, you're not just supporting education; you're investing in the future of autobody collision repair professionals, driving growth and innovation in Memphis and beyond.
